June 2007 President's Report

Hello again; you really need to read the newsletter closely this month. There are some bylaws changes that we need to get taken care of to comply with the MUCC and the state laws regarding raffles.

We have changed the date for the Relay for Life steak fry. It will be in July this year. Also we are planning to have a dinner to support the Washtenaw County Deputies Memorial Fund for uniforms for the new honor/color Guard. It should be a good event for both of us.

Rob Bolog Jr. gave us a report on the LAN party they had here at the club, and also gave a sum of money to the club. If we have young people like that coming up, we should not be too worried about Tri County or the rest of the country for that matter.

We have not yet had our second meeting with the township for lack of a time when all of us can get together. I must give a large Thank You to Dennis Schultz and Chad Marthey for the extra effort and work they have done on the site plan for the club. It will be a starting point for both Tri County and the township for future planning.

There is a drain south of the drive, at the lower part of the valley. It is plugged solid, and the water that should be draining down our property is backing up in the neighbor's yard on the other side of Moon road. It is my understanding that the County Road Commission is going to fix this at no charge to Tri County or the neighbor.

Summer is almost here, enjoy your club and hit the backstop. **Bill Feight**
