SEASONS GREETINGS FROM THE PRESIDENT

Here's wishing you, the club executives, directors, committee chairs (formal and informal), the entire membership along with their families and our sponsors and suppliers, a **Merry Christmas & Happy New Year!**

It's that time of the year to put up Christmas lights, a tree, maybe decorations, plan a family get together and for many a visit and meal with family and friends. Or maybe just time to sit back and relax. No matter how you celebrate the Holidays, be it a safe and happy holiday season.

It's also a time to reflect on the year passed. Resolutions kept, made, or not even considered. We have plenty to be thankful for at TCSL. We continue to focus on safety, membership is relatively stable, revenue has increased at catering and range events, we see an increase in youth programs, providing educational programs beyond tuition based classes, have made major progress on the construction portion of the Cover the Creek project and added Women's Sport Shooting events. Next year we will expand on many of these programs and a few new ones are in consideration.

This is the time we should remember those who have gone before us. They will live on in our memories. And be grateful for the new ones who may have joined us this year.

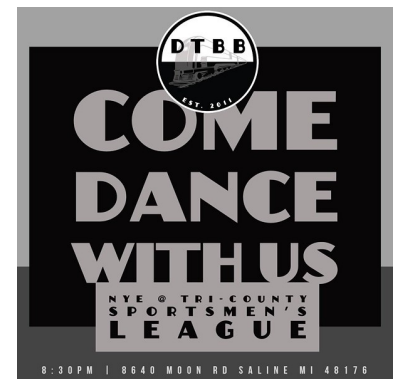

I want to personally thank all those who have contributed their time in helping the club meet its goals throughout the year. To those who may have given one hour or have regularly stepped in to help out. For an organization with only one employee, your help is greatly appreciated and needed for us to succeed and grow.

To you and your family, have a Merry Christmas and a prosperous New Year!

NEW YEARS EVE
