The 3/19 March Madness Match is a 22LR 100 yd bench match. It is an elimination match where 2 shooters will go head to head firing at 10 hanging clay pigeons. Shooters will be allowed to use up to 20 rounds of ammo to break the birds, with only 5 loaded in a magazine to start. Guns and mags will be empty and on the bench at start. Each round will also be time limited to 120 seconds. The shooter who breaks all the birds first, or who breaks the most after 120 seconds, will move to the next round. The loser is out. So we will progress through rounds in brackets, like the basketball tournament, until there is a winner.
