

## FALL HANDGUN SHOOTS (aka “Running Deer”)

The Fall Handgun Shoots will be held again this year in the months of Oct. and Nov. For members who are not familiar with this event, here is how it is run.

Shooters stand 25yds. away from a deer silhouette target. They will get 2 shots at the target while it is stationary and 2 more shots at it while it moves across in front of them, until it stops behind a barrier. Different areas of the target have different point values. Any hits in the head area are worth 5 pts.. Hits in the lung area are worth 4 pts. And hits anywhere else on the main areas of the deer target are worth 3 pts. We add up the total value of all your hits and compare your score to the other 9 shooters in your relay. The shooter with the highest score wins a prize. Handgun shooters will compete against other handgun shooters and rifle shooters will shoot against other rifle shooters. A rifle, that shoots a straight walled cartridge, may compete.

Shooting starts at 12:00 noon-4:00pm. The cost for each ticket to shoot is \$5.00.

Novice and skilled shooters are welcomed to participate. I guarantee you will enjoy yourself while enhancing your shooting skills. Members and non-members are encouraged to bring along a family member or friend along with them.

If you do not own a handgun/rifle and would like to participate, there are several members who are willing to loan you their firearm for this event.

SAFETY is our top priority. All shooters must wear ear and eye protection and obey all safety commands.

**The 2022 dates for the FALL HANDGUN SHOOTS are: Oct. 2, 16, 30 & Nov. 6.**

I am looking for volunteers to help assist me with each of these events. This would be a fun way to get your volunteer hours in. If you are interested, please contact me at: [car64mc1@peoplepc.com](mailto:car64mc1@peoplepc.com) .

Looking forward to seeing you at the ranges. Mike Cowhy
