

## President's Column

Spring has sprung, and warmer weather is fast approaching. And that means more traffic at the ranges. As you use the ranges more often this spring, make sure SAFETY is foremost on your mind. It sure is at TCSL. We have trained over 75 members through the Range Safety Officer (RSO) course at no charge to them. They also become CPR/AED certified. And this year we have enrolled another 20 members through the RSO course.

On Saturday, April 7, we will conduct a "Board Walk-Around" to help identify potential improvement projects for 2018. Members are welcome to attend. Arrive at the clubhouse first floor by 8am, and we should conclude by 10am before the ranges open.

For Q1-2018 we have added 15 new members. In the works is a program to bring new members together to meet with committee chairs. We do a good job of providing range safety training, but it has been pointed out that we need to work on making new members feel welcome. We have made some progress, but more needs to be done.

We implemented a Retention Program where we reached out to those who had not renewed their membership over the past couple of years. Interesting early re-

porting stats of those who have replied in the first week since launching: 4 will be renewing, 4 have moved and loved the club while here, and 1 had a bad experience but is coming back.

Committee Chairs that remain open: Kitchen and Archery. Rhys Harrison, our Archery Chair is moving to Florida. Congratulations to him and his family. We wish him good luck in the future. If you are interested in either position, please contact me.

Warmer weather's coming, so come on out and support your club. There are many events you can participate in: dances, steak fries, breakfasts, dinner events and others. Come either as a customer or a helping hand and earn some volunteer hours. Many range events are happening, and there's a full complement of courses you can attend. Education has developed free workshops for members and non-members. Check out the online calendar to stay up to date.

If you have any questions, concerns, or comments see me at the club at most events or contact me via email or phone.

## Trap

Saline High School recently agreed to sponsor a varsity trap shooting team as an extracurricular activity. High School students in grades 9 through 12 will compete weekly, during the spring, in a "virtual" competition against other schools throughout the state. The team will be co-ed, although the first ten Saline Hornets to sign up were all boys. Shooting practices and competition will be conducted at Tri-County on Tuesday and Thursday nights, from 5-7pm.

All shooters must pass an approved firearm safety course before shooting. The class was conducted on March 20 and 21. The first practices were held on March 27 and 28. The actual competition will run through April and May and will culminate with the State Tournament in Mason where all participants are invited to attend. The league's priorities, in order of importance, are safety, fun and marksmanship.

A few more club members, familiar with trap shooting, are needed to help supervise on Tuesdays and Wednesdays. All members are invited to stop by and watch the competitions and meet the team and their parents. Bob Parent worked closely with Saline High School to make this team a reality. Bob is our point of contact for this activity.

## Cover the Creek - Update

We are nearing our goal of \$10,000. We have raised \$8,200 from generous member contributions and an NRA grant. You can still help us reach our goal by donating or volunteering for a work crew. Ways to donate include using the "Donate Now" button on the front of our webpage ([www.tcsl.org](http://www.tcsl.org)), or picking up a donation form at the club. We will soon be forming volunteer crews for the construction and installation of the modular metal design this summer.

## Memorial and Wellbeing

Congratulations to members Mike Thompson and Deb Bratkovich on their recent marriage.

Please keep Dick Cupka's dad in your thoughts and prayers. He recently underwent hip surgery.

## Education

In a country where we find ourselves more and more likely to need to defend ourselves, our friends and family and our basic rights, it's important to look at what preparations we are making to protect that which we hold dear. We lock our doors at night to keep us safe. We keep a flash light and a firearm near our bed in case of a break-in. But do we practice what to do in a high- stress encounter?

We have put together some basic safety classes for personal protection inside, as well as outside, the home. Take a look at the calendar, and start planning a safer future.

**(Most classes begin at 8am)**

## Safe Round-Up:

### **Gun safes and storage solutions to keep you organized and ready to stop a home invader**

As gun owners, we are each responsible for gun safety; and a large part of that includes safe storage. Of course, what constitutes safe storage can vary from person to person. Someone with a large firearms collection and small children at home will have far different needs than an adult living on their own who owns one gun. The amount of space in your home and financial considerations are other factors. There are, however, plenty of choices to meet anyone's safe storage needs, from basic lockable cases to giant fireproof safes.

#### **Winchester Defender Handgun Safe** - 877-948-6723, [winchestersafes.com](http://winchestersafes.com)

With 25 years in the industry, Winchester introduces the Defender RFID Handgun Safe. What differentiates this safe from the rest is the speed of the RFID, backed up by a 4-6 digit combination keypad. It's secured by 14-gauge steel, exceeding California's DOJ Requirements.

#### **Truck Vault** - 800-967-8107; [truckvault.com](http://truckvault.com)

In business since 1995 Truck Vault has been manufacturing secure storage solutions for safety officials, businesses and outdoor men of all types. TruckVault's offers in-vehicle storage for almost any pick-up, SUV, sedan, or minivan. And they are just plain cool.

#### **Tactical Walls Concealment Coffee Table** - 540-298-8906, [tacticalwalls.com](http://tacticalwalls.com)

Disguised as an everyday Coffee Table doubles as a hiding spot for your home defense pistol and or long guns. Hand made with a U.S. and features a clean and elegant design that would fit in well in any den or man cave and keeps your firearms hidden while offering quick access. The tables come in several finishes and open using RFID technology.

#### **Tactical Walls RFID Concealment Shelves** - 540-298-8906, [tacticalwalls.com](http://tacticalwalls.com)

What would make tactical Walls concealment shelves better? How about RFID technology. Swipe the RFID card in front of the locking mechanism and the shelf drops open. Each unit will come with two key cards and owners can also order additional RFID cards if needed.

#### **Stack-On** - 800-323-9601, [stack-on.com](http://stack-on.com)

Stack-on improves its personal storage line-up with a slim rifle safe that can be used as a secondary safe or for the person that only has one or two rifles. The small safe is handy enough to fit in almost any closet. The biometric fingerprint recognition allows for quick access with the swipe of a fingerprint.

#### **Snap Safe TrekLite X-Large Lock Box** - 877-214-4470, [snapsafe.com](http://snapsafe.com)

The TrekLite Lock Box offers heavy-duty protection in a light weight package. Ideal for storing valuables such as handguns, cash, and is ideal for the traveling with your firearm. Available with a key lock or TSA combination lock. The box comes with a 1,500-pound rated security cable to keep the box from just walking away.

#### **Rockland Custom Products** - 631-391-6007, [rocklandcustomcabinets.com](http://rocklandcustomcabinets.com)

Custom mobile security for the law enforcement or the weekend sportsmen. A system of shelves, drawers and lock-boxes that are influenced by the end users' needs, Rockland works with you to provide the best for your firearms, medical equipment and hunting gear.

#### **Rhino Safes Ironworks Personal Safe** - 800-701-9128, [rhinosafe.com](http://rhinosafe.com)

Don't put this safe in a closet or hide it behind a painting, this safe is the art in the room. Each personal safe is hand distressed to look like an antique that is part art and as secure as any of the company's offerings. Made from 12-gauge steel with a reinforced angle on door back to prevent entry by cutting off hinges and weighs in at 45 pounds.

#### **Quicksafes Quick Vent** - 801-367-9374, [quicksafes.com](http://quicksafes.com)

The Quick Vent safe by Quicksafes adds a new twist to an old trick by combining the everyday, mundane fresh air vent with the security of an RFID lock box. This system won't stop a determined criminal from getting to your valuables, but... he has to find it first.

To be continued next month.

## TCSL Bowling Pin Shoots

Pin shooting is a fun, but challenging event. We welcome the skilled shooter, as well as, the novice shooter to participate. We guarantee you will enjoy yourself, while enhancing your shooting skills. Members are encouraged to bring friends/family along with them. Non-members are welcome.

### PCC & .22 Rifle Bowling Pin Shoot PCC (pistol caliber carbine)

**Sundays: Apr 15, May 6, Jun 10, Jul 15, Aug 12, Sep 9**  
**11:30am until 5:00pm**  
**Shooting starts at 12:00 noon.**

The cost for each relay (24 pins = 6 pins x 4 tables) is \$5.00.

The shooter stands 20 yards away from a structure, with 6 bowling pins on it. A safety officer, with a timer, will give the command to commence firing, at which time the shooter will begin shooting until all 6 pins are knocked down. The time it takes to knock 6 pins down is recorded. The average time of the shooters best 3 tables will determine his/her score. Bragging rights are determined by the lowest shooter's score.

If you don't own a PCC or .22 rifle and would like to participate, there are several members on site who are willing to loan you their .22 Rifle for this event.

## St. Paddy's Day Dance

On March 17 Tri-County held our first (annual?) St. Paddy's Day Party! The Depot Town Big Band entertained us, and people danced! There were 75-80 fun folks who came to celebrate the "wearing of the green" with us. During the band's breaks, Natalia (of Ann Arbor Ballroom) gave us dance lessons, and there wasn't an empty spot on the dance floor!

Special thanks to Earl Austin, Carlos Soto, Stuart Berry, Steve Nesmith, and their wives/girlfriend for staying and helping us put things back to normal at the end of a fun evening.

Be sure to join us next year!

Your event coordinators: Sue,  
Val, Carol, & Mark!

## WOT/KORD Meetings Mondays at 6pm:

April 9, May 7, June 4 (Volunteer Dinner)  
(KORD volunteers will have one additional meeting on July 9.)

### Women on Target Saturday, June 16

April 1 is the start of registration for Women on Target! Applications are on our website at [TCSL.org](http://TCSL.org) for the ladies to print and submit with payment of \$75. The registration form can be mailed in or brought in to the clubhouse. Remember if you are entering a team, please submit all team members names on each individual registration form. Also be sure to sign the release form and attach to the registration form. There are 70 spots available. Come join us for a great day.

The next WOT meeting is April 9 at 6pm. We would like all of the range leads to attend this meeting. Tom Lewandowski will be addressing the safety concerns at this meeting.

Our kitchen chair is Carol Brown, please sign up to help in the kitchen. We always need extra hands packing lunches for the volunteers. Once again we are putting together "themed baskets" for the raffle. If anyone has a desire to donate a basket of their choice we would love to accept it!!

### Kids on the Range Day Saturday, July 14

Our next meeting is scheduled for Monday, April 9, at 6pm (downstairs). All are invited to attend these planning meetings. As Carol said, we would like all of the range leads to attend this meeting, as Tom Lewandowski will be addressing the safety concerns.

Registration forms will be available online and at the club in early April and should be returned to Tri-County (via mail or drop-off). **Pre-registration is required**, as we're limited to 60 kids.

As usual, we'll be giving the kids goody bags and feeding them pizza, so we'll be holding more pancake breakfasts to help defray the cost. All breakfasts will be on the second Sunday of each month (June, July August, September) from 9am-noon.

A few sponsorships might also mean we could give them t-shirts. (Just a thought.)

I'm looking forward to meeting and working with all of you!
