President's Column

The September 16 TCSL Board and Membership meetings will be in person at the Clubhouse. Committee chairs will continue to decide how they want to conduct their meetings. If the Committee meetings are being conducted by Zoom, please check the online TCSL calendar since we are trying to post the links on the calendar. I look forward to having the Board and Membership meetings in person so that we can all catch up with each other. Keep in mind that you earn volunteer hours for attending the Board, Membership, and Committee meetings.

The Tier 3 IDPA match will be in September, so get in touch with Earl Austin to help with this event. This year's event will have a larger turnout than last year's, so extra volunteers will be needed. It is my understanding that the Tier 3 match will be the largest IDPA match in the State of Michigan this year. Please look at the online TCSL calendar and you will see the dates of all of the range closures. Monday, September 6, through Sunday, September 12, all of the pistol ranges will be closed for set-up, the match itself, and clean-up. Thursday, September 9, through Sunday, September 12, all of the rifle ranges will be closed for set-up, the match and clean-up. Keep checking the on-line calendar in case there are changes in these dates and closures.

The following dues increases were approved at the August 19 Board meeting:

Regular Member - \$170 per year
Young Adults - \$85 per year
Junior - \$24 per year
Senior - \$85 per year
Military (Active Duty) - Free
Associate - \$24 per year

The Board also approved increasing the application fee to \$50 and the volunteer hour buy-out rate to \$15 per hour. Finally, due to the inability to conduct Women on Target, Kids on the Range Day, and hall rental for months during this year and concerns due to COVID, the Board also suspended the requirement that members have ten volunteer hours per year for 2021. Volunteers are still needed at TCSL events (i.e., weddings, high school reunions, IDPA matches, breakfasts, steak fries, etc.), and the hours earned will still be applied to the Discounted/Free Range Pass program; so please keep helping. The suspension is for the 2021 requirement, so effective December 1, 2021, the new volunteer hour requirement is fully reinstated for

2022 obligations. remind everyone that the purchase of volunteer hours has been a great help over the years, and eliminating the requirement that members purchase unearned hours will result in reduction in income for TCSL; so I encourage members to consider donating money to help cover this shortfall.

The TCSL Board also voted to extend the contract allowing York Township to use the TCSL facilities as a polling place for their elections. The actual election dates will be on the TCSL online calendar. TCSL has allowed York Township to use the TCSL facilities as a polling location for years, as we support our neighbors.

We are still in need of a Grounds Chair. Fall clean-up will be occurring, and it would be helpful to have a Grounds Chair in place to schedule and coordinate that activity. Please email me (steve@reedlawgroup.com) if you are interested in being the Grounds Chair.

Anyone interested in bidding on a contract for snow removal and salting on the property this winter should submit their bids to Carlos Soto, First Vice President at v1president@tcsll.org. Please get your submissions to Carlos by September 12. Feel free to get creative (i.e., a reduced cost but volunteer hours created for time spent on the project).

Saturday and Sunday, October 9 and 10, we will once again be offering the NRA Range Safety Officer and TCSL Range Safety Officer courses which are provided free to our Members. At the end of the weekend, each student will receive 16 volunteer hours; and upon successful completion of the course, they will have NRA RSO and TCSL RSO ratings. Those members helping teach the course will receive 16 volunteer hours. Normally, the NRA RSO course is \$75-150; however, TCSL members get the course at no cost as a benefit of their membership. The only cost is that students taking the courses need to also take the AED/CPR training which is provided during the course and \$40 is paid directly to the instructor (i.e., TCSL does not receive any portion of the \$40). Let me know if you want to take the RSO course or to assist teaching it (steve@reedlawgroup.com).

We are continuing to have an issue on ranges with baffles, support beams, etc. getting shot. We need to make sure this isn't happening since we don't want the property damaged, and we don't want rounds getting off property. Keep in mind that when you shoot, you need to hit the backstop. If you are shooting too fast and you aren't sure where your rounds are going, please slow down.

Since the ranges and facilities are fully open, spread the word that hall rental is once again available. Whether it is a wedding reception, family reunion, business meeting, etc., steer your friends and relatives to TCSL. Anyone interested should contact Mark Smokowicz (v2president@tcsll.org) to rent the clubhouse.

I hope you'll take time to enjoy the ranges, clubhouse, and activities while the weather is still nice. Stay safe and healthy.

Fourth Military Rifle Match Held

Our fourth standard Military Rifle Match for 2021 was held on Saturday August 21st at the 100-yard rifle range with 5 shooters.

Results of the match:

<u>Place</u>	<u>Shooter</u>	<u>Rifle</u>	<u>Round</u>	<u>Score</u>
<u>Iron Sight Division</u>				
1 st Place	Chris Leite	AR-15	223 Rem	332-2x
2 nd Place	Dave Vandermark	1903A3 Springfield	30/06	293
3 rd Place	Jeff Gage	AR-15	223 Rem	273
	Mark Smokowicz	AR-15	223 Rem	266
	Jerry Marken	M1A	308 Win	248

Our next Military Rifle Match will be held on Saturday, October 16th, and is open to all TCSL members and guests. Registration starts at 9am and the match begins at 10am. A short safety briefing will be held prior to the match. Fees for the match will be \$10 for members and \$15 for guests. You can compete with any military style rifle (no full autos), foreign or domestic, modern or vintage, with iron sights or scope. You will need 45 rounds of safe ammunition, a shooting mat or something to lie on, safety or shooting glasses and ear protection. Spotting scopes and sling are helpful.

The course of fire for the event shall be: (5) rounds of slow fire in the prone position for sight-in within 5 minutes. For score; (10) rounds slow fire in the prone position, (10) rounds of rapid fire in the prone position, (10) rounds rapid fire in the sitting position and (10) rounds of slow fire in the standing unsupported position. For the Slow fire portion single fed rounds are fired within 8 minutes, while rapid fire is within 80 seconds with a magazine or stripper clip change. There will be a short safety briefing prior to the match. **Please Note: You need not be a military member to compete, as they are surely welcome, you only need to own a military style rifle.** For further information or questions contact Dave Vandermark at rifle@TCSL.org.

There are also the following rifle matches in September:

Second Annual Cavalry Match Held

On July 31st, TCSL hosted it's second annual Cavalry Match. It's purpose was to simulate shooting positions you might find yourself in as a cavalry trooper in the late 1800's – on horseback, kneeling, firing from behind your horse, and using your pistol off-hand as a last resort. It took place on both the 50 and 100 yard rifle ranges. Each Shooter needed to bring a carbine (20" barrel or less, no scopes) that was capable of being single fed. Carbine stages included seated (on a rounded stool to simulate horseback), with 5 rounds facing the target, and 5 rounds facing perpendicular to the target at 50 yards, 10 rounds kneeling at 50 yards, and 10 rounds prone (but with an 18" high rest simulating a downed horse) at 100 yards. All three stages required the ammunition be single fed from a belt pouch and fired within 80 seconds. The pistol round was shot one-handed at 25 yards. When the timer started, the pistol was loaded with five rounds, fired, then loaded with 5 more rounds. This was done to make it more even between semi-auto pistols and revolvers (mags empty at start, only one mag allowed). All 10 rounds had to be fired within 80 seconds.

Scores were down this year because the pistol rounds proved to be difficult for all shooters. Look for the match again next year, date TBD.

	Name	Carbine	Pistol	Score
1 st Place	Mark Smokowicz	AR-15 - .223	Beretta PX4 - 9mm	240
2 nd Place	Dave Harris	AR-15 - .223	Colt 1911 – 45 ACP	228
3 rd Place	Tom DeVries	Marlin 336 – 35 Rem	?	220
	Dave Vandermark	1895 Dutch #1 Carbine – 6.5x53R	Ballester Molina – 45 ACP	154-1x

50 Yard Rifle Range Damage

There has been a lot of recent damage on the 50-yard rifle range, particularly on the right side where we have the 25-yard targets set up. The support posts for the overhead pergola are being hit fairly regularly, to the point where one is going to need to be spliced. The overhead boards are also seeing a lot of hits, and we're seeing many skips halfway to the berm.

This is likely coming from standing, unsupported, rapid fire. Please remember to limit your rapid fire as much as possible, both for the club and the neighbors. And please mind your muzzle angles when you are firing; the damage is happening very close to the firing line. We cannot afford to damage the ranges, or to have any bullets get off property.

Lastly, if you observe a shooter not operating in a safe manner, please make them aware. Our club belongs to all our members, and we all have a responsibility to keep it safe.

PCC & .22 Rifle Bowling Pin Shoot

Sundays, Sep 26
11:30am until 4:00pm

Shooting start at 12:00 noon.

The cost for each relay (20 pins = 5 pins x 4 tables) is \$5.

Pin shooting is a fun, but challenging event. We welcome the skilled shooter, as well as, the novice shooter to participate. We guarantee you will enjoy yourself, while enhancing your shooting skills. Members are encouraged to bring friends/family along with them. Non-members are welcome.

The shooter stands **20 yards** away from a structure, with 5 bowling pins on it. A safety officer, with a timer, will give the command to commence firing, at which time the shooter will begin shooting until all 6 pins are knocked down. The time it takes to knock 5 pins down is recorded. The average time of the shooters best 3 tables will determine his/her score. Bragging rights are determined by the lowest shooter's score.

If you don't own a PCC or .22 rifle and would like to participate, there are several members on site who are willing to loan you their .22 rifle for this event.

Hunters Education

The only thing that is constant is change. Or is it: The more that things change, the more they stay the same.

I don't know, but I do know that the State of Michigan and the DNR are changing the way we sign-up for Hunters Education

To sign up for any recreational safety class—be it Hunter Ed to ORV, Snowmobile, or Boater Safety—you need to sign up through Kalkomey storefront: <https://michigan.storefront.kalkomey.com/em/programs>. Click on "View Upcoming Events" in the categories you are interested in, search your area for a class, create an account, and register. Easy right?

Our Hunters Ed. program is streamlining to the Field Day proportion of the online class due to the demand for that.

In August, we had 100% success in two classes. I thank all who helped make this work. If possible, we may have one more this year, but scheduling is tight with building use, instructor availability, RSOs, class announcements in Kalkomey and material shipped from DNR.

Hunter education Field day class is being scheduled for Saturday, October 16. Create an account and sign up at <https://michigan.storefront.kalkomey.com/em/programs>

As always H.E. could use more trained instructors. If you are interested, please contact me, and we can get you started in a rewarding and beneficial service to the community. I have found it to be very rewarding.

Remember, safety begins with you.

MUCC Committee Report

Jim Pryce and I have been involved in a variety of activities with MUCC, the DNR, the Natural Resources Commission (NRC), and the newly-organized Wolf Management Advisory Council (WMAC).

In July, I attended the first public, in-person NRC meeting since COVID restrictions. It was held with all proper precautions, and it was good to see everyone in person. Topics included Fisheries Order Update, Cormorant Control, Restricting Beach Access, and the 2020 Preliminary Deer Harvest Survey report. I missed the August NRC meeting due to a fishing trip, but I have a draft copy of the July minutes if anyone is interested; and I will post a copy at the club. FYI: MUCC usually streams the NRC meetings on their [Facebook page](#). The meeting can be watched live or at a later time

I attended the first WMAC meeting in Ishpeming on August 4. This group will try to find a way to control the negative impact that wolves are having in Michigan's Upper Peninsula. I have a draft copy of the meeting minutes if anyone is interested, and I will post a copy at the club. The next meeting is at Gaylord on Wednesday, September 1, and I plan to attend.

I also attended the Conservation Coalition that was held at the MUCC office in Lansing on August 20. The Conservation Coalition is made up of leaders from many of the largest conservation organizations in Michigan. The DNR Deputy Director introduced the new Wildlife Chief, Jared Duquette. I have a draft copy of the minutes of the meeting if anyone is interested, and I will post a copy at the club.

Jim and I will be attending the MUCC Convention from September 24-26. The Convention Book (which includes the proposed resolutions) is on the MUCC website (mucc.org). If you have a chance to look over the resolutions, we would be happy to discuss any comments or questions you may have. Jim and I will be reviewing the resolutions and will inform the club about any that might be of particular interest to TCSL members.

Closer to TCSL: the Crystal Waters land acquisition, just east of Milan, is still being finalized; we hope to soon be able to help with the work to prepare this area for a variety of outdoor activities. Also, the Pointe Mouillee Waterfowl Festival will be held on Saturday and Sunday, September 18 and 19. For more information visit www.ptemouilleewaterfowlfestival.org

[Kris Matthew](#)

I would just like to add that at the MUCC convention in September, during the opening remarks, club members who have passed away will be recognized and their names read. Without a convention last year we will remember those who have passed in 2020, as well as those in 2021 thus far.

TCSL members who will be recognized in memoriam are:

Gary Paschka
Cyril Berry, Jr.
John Dicks
Robert K. Fiegel
Jim Van Loon
Arthur Witbart
Billy Masten
Steuart White

Edward Hayes
Thomas Limperis
Raymond Schrock
E. David Ladd
Pete Stumpo, Sr.
William Crisovan

Fall Handgun ("Running Deer") Shoots

Sundays: October 3, October 17, October 31 & November 7
Shooting Starts at 12:00 (noon) to 4:00pm

The "HANDGUN SHOOT" (Running Deer Shoot) is structured much the same as a good old Turkey Shoot as 10 individuals buy into a relay. All 10 take their turn shooting at the running deer. After each individual shoots, their score is totaled and radioed up to the officials' table. The highest score of the relay wins a prize.

The shooter is positioned 25 yards away from a hanging deer silhouette. The deer silhouette is positioned at the right side of the gallery. Round count and order may change from relay to relay. Our usual starting sequence is 2 shots at the deer standing still and 2 shots while the deer is running. Once the final standing shot is fired, the deer will begin to move across the gallery from right to left.

This event is open to the public. This event is open to Handguns, .22 Rifles, and PCC's (Pistol Caliber Carbines). Pistols will compete against pistols; .22 Rifles and PPC's will compete among themselves. All type sights or optics are allowed.

This event is FUN, and it's OPEN TO THE PUBLIC. So bring a family member or a friend.

Cost for each relay is \$5.00.
