

2022 BOWLING PIN SHOOTS

The Bowling Pin Shoots will be held again this year. For members who are not familiar with Tri-County's Bowling Pin Shoots, here is how it works. Any type of handgun may be used and any style rifle that shoots a straight walled cartridge may be used

For each relay, a shooter stands 25 feet away from a structure, with 5 bowling pins on it. A safety officer with a timing device, will give the command to commence firing, at which time, the shooter will raise his/her firearm and begin shooting until all 5 pins are knocked down. The time it takes to knock 5 pins down is recorded. The average time of the shooters best 3 tables will determine his/her score. Bragging rights are determined by the lowest shooter's score (time).

Shooting starts at 12:00 noon - until 5:00 pm. The cost for each relay is \$5.00. Pin Shooting is a fun, but challenging event. We welcome the skilled shooter, as well as, the novice shooter to participate. I guarantee you will enjoy yourself, while enhancing your shooting skills. Members are encouraged to bring friends/family along with them. Non-members are welcome also.

If you don't own a handgun/rifle and would like to participate, there are several members who are willing to loan you their firearms for this event. Please note the following safety rules below:

- The 3 most important words to remember are: Safety, Safety, Safety
- All shooters must have ear and eye protection.
- All firearms will remain unloaded until brought to the firing line and instructed to load.
- Any caliber handgun may be used. Rifles must be straight walled cartridge.
- All safety commands must be observed.
- All participants are expected to help reset the pins after each relay.

The 2022 dates for the Bowling Pin Shoots are:, May 15th, June 12th, July 10th, August 14th, and September 18th

I am looking for volunteers to help assist me with each of these events. This would be a fun way to get your club volunteer hours in. If you are interested, please contact me at car64mc1@peoplepc.com

Looking forward to seeing you at the ranges.

Thank you,
Mike Cowhy
