President's Column

June begins the season of larger events at Tri-County. Women on Target (WOT) returns on June 11. Demand was so great that the registration slots were filled before the end of the first day. This is all-day event for 70 women who are introduced to all our ranges. Some 80-90 volunteers are needed to coordinate the participants and to ensure safety. Carol Grubb and Deb Thompson have been guiding the planning. Thank you Carol and Deb for your direction. Help is always appreciated. Contact Carol at wot@tcsll.org if you are available to help but have not yet joined the team. The ranges will be closed on both Friday, June 10, (for set up) and Saturday, June 11, (the day of the event). Support our sponsors who are listed in this issue as you are able.

In July, Kids on the Range Day (KORD) will return. Val Kabat is again leading KORD this year. Volunteers are still needed for KORD, so contact Val at KORD@tcsll.org if you can help. There are many, many jobs, so there's a place for you. In September, IDPA will host their Tier 3 match. Volunteers are needed for each of these events.

Ongoing calendar events in June include a Michigan CPL class and an NRA CCW course, a Military Rifle Match, PCC and .22 Rifle Pin Shoot, Wednesday Range Time, and Wednesday Gun Safety Seminar; and IDPA holds a practice night every Tuesday.

June 16 is the date for the next Board and Membership meetings. Burger night, starting at 5pm precedes the meetings. The Education Committee meets in person on Thursday, June 9. The Safety and Finance Committees meet via Zoom on Monday, June 13. Join us to learn more about the Club (your Club) and contribute to our success. Earn volunteer hours for each meeting. (<http://tcsll.org/#calendar>)

Watch for email blasts requesting help for the various rentals throughout the month.

On the lower level south wall of the clubhouse, much of the ongoing history of the club is displayed. As you enter the building and face the wall, to the left is a tall rectangular frame. I never gave it a notice till recently when we were filing documents with the State of Michigan to conduct a

WOT raffle. One required submission was a copy of our articles of incorporation. At that time it was pointed out that that tall frame contained the club's original articles of incorporation from 1939. Since it was not feasible to make copies of those display documents without risk of damaging them, Mark Smokowicz was able to locate the State's electronic archive of articles of incorporation. Our articles of incorporation are now posted on our members-only page on our website. The framed copies are quite faded but still very readable. The web posted version is clearer. Give them a read.

Article II answers a question I have had as to the three counties of Tri-County. They are Monroe, Lenawee, and Washtenaw.

The most recent addition to the south wall is the BSA Scout charter for our Troop 439. We hold the charter issued by the Boy Scouts of America, as we are the hosting organization for Troop 439. This charter is displayed on the wall to the extreme right.

Recently, we had the property walk-around to assess what is needed to maintain our infrastructure and grounds. Look for help requests to address issues. We had a good turnout for the spring clean-up. Thank you, Pete Stumpo, for leading this. The winter Visqueen was removed from the pistol house, and the hardware and laths were stored for next year. Thank you, Jeff Robbins for leading this. Helping in these projects were Mark S., Phil H., Pat G., Jim S., Toni S., John L., David W., Mike T., Fred G., Honghua Z. and his daughter, Gerry M., Dave V., Brian F., Dan W., and Jim S. Thanks to all.

Tuesday, June 14, is Flag Day.

Each Saturday from 11am-1pm on WAAM (1600 AM), member Dick Cupka hosts his radio show called "Trigger Talk." The show is always interesting and entertaining.

Remember that safety is our highest priority. Safety is more important than speed!

Have a good and safe June.

Sincerely,
Stuart Berry

Memorial & Wellbeing Celebration & Thanks

Gerald Robert Bolog passed at home Saturday, May 21, under the care of his loving family. Born on September 11, 1941, Gerald graduated from Milan High School in 1960 and married Marcia McConeghy in August 1961. Together, they shared more than 60 years together. In addition to his wife, Gerald is survived by his son TCSL member Robert (Beth) Bolog, daughter Susan (Rick) Bayne, several grandchildren, great-grandchildren, and cousins.

Jerry was active in the Milan community and could often be found working the grill at various events. He made time to volunteer for Christmas in April, supplied bread and pastry products to several local organizations, worked at the Milan Booster Club pig roasts, and helped with activities at the American Legion Post 268 for over 40 years. Also, an avid outdoorsman, Gerald was a certified Master Gardener and enjoyed fishing and hunting.

Services were held on May 28 at [Ochalek-Stark Funeral Home](#) in Milan with Pastor Matt West of Marble Memorial United Methodist Church officiating. Contributions may be made to the Milan American Legion Post 268-Seawall project or to a charity of your choice. Envelopes are available at the funeral home. You may also plant a tree in Gerald's memory, by visiting the funeral home's [Sympathy Store](#).

Dennis "Stoney" Burke, MD, passed away on May 15 in Milan. He was born on June 3, 1930, in Minneapolis, Minnesota, and is survived by his wife Louise, son Michael (Caryl) Burke, daughters: Lynn (Leon) Lewis and Jodi (Bob) Allen, several grandchildren, and one great-grandson, along with many dear extended family and friends. He was preceded in death by his first wife Mary Rice Burke.

Denny was a Veteran of the Korean War, received his medical degree from U of M, and was in private family practice in Ann Arbor for 50+ years. Later in his career he served as a physician for the student health services of both EMU and U of M. At a very young age, Denny purchased the Charles Atlas bodybuilding program, which accelerated his love of exercise and sports. He was one of the U of M team doctors for football and hockey, from 1962-67 and was one of the coaches of the U of M boxing team.

There will be no service, but contributions may be made to an animal shelter of your choice. You can read the full obituary here: ochalekstark.com.

It was great to see Kris Matthew's smiling face at the May board meeting. Kris is the owner of a shiny new pacemaker, which—after a bit of tweaking—seems to be doing its job.

HAPPY
Father's
Day
June 19

Women On Target Saturday, June 11

Only ten short days left until Women On Target! This comes after more than five months of planning and action by so many of you. What a remarkable group of people makes up TCSL! So . . . we have just a few days to wrap this up.

By the end of this week, there will be an email sent to all volunteers breaking down the jobs and the time you need to arrive. If you have not received an email by Saturday, June 4, please give Carol a call, and we will get you the information, pronto.

The WOT planning group will be at the Club on Wednesday, Thursday, and Friday, June 8, 9, and 10, from 1 to 5pm each day to set up and complete last-minute tasks—of which there are plenty. If you would like to stop by and give us a hand, we would welcome your help and would love to have you join us! As is the case when we get together, a good time will be had by all!

If you are donating any Raffle Baskets or other items, the deadline to drop them off is Monday, Jun 6. If you are able to get them to the club sooner, that would be great!

Volunteers need to wear red shirts on the day of the event. We do have the orange/red vests you can wear, but a red shirt will probably be more comfortable. If you purchased a red Women On Target t-Shirt, Sally Clark will have it at the club during our work hours on June 8, 9, and 10, and you can pick it up then. Otherwise, plan to pick it up when you check in on June 11.

The NRA did not send the usual number of red WOT hats this year, so we will be short. If you have a hat from prior years, please dig through your closet, smack the dust off, and bring it along. (It's probably under all that ammo you have been squirreling away.) Of course, any red hat will be fine.

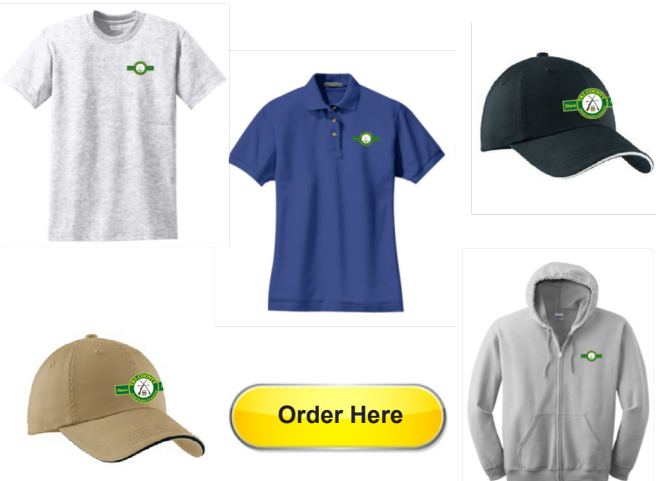

And where would we be without the generous support of our sponsors and gift donors! Please check out the special section included in this newsletter listing all those who helped make possible what we know will be a great event. Won't you please support these folks and their businesses—not only now but throughout the year.

We look forward to seeing you on June 11!

Bowling Pin Shoot - Open to The Public

Bowling pin shooting is a fun, but challenging, event. We welcome the skilled shooter, as well as the novice. We guarantee you'll enjoy yourself, while enhancing your shooting skills. Members and non-members are encouraged to bring friends/family along with them.

PCC & .22 Rifle Bowling Pin Shoot

Sundays: June 5, June 26, July 31, September 4

11:30am until 4:00pm

Shooting starts at 12:00noon.

The cost for each relay (20 pins = 5 pins x 4 tables) is \$5.00.

The shooter stands **20 yards** away from a structure, with 5 bowling pins on it. A safety officer, with a timer, will give the command to commence firing, at which time the shooter will begin shooting until all 6 pins are knocked down. The time it takes to knock 5 pins down is recorded. The average time of the shooter's best 3 tables will determine his/her score. Bragging rights are determined by the lowest shooter's score.

If you don't own a PCC or .22 rifle and would like to participate, there are several members on site who are willing to loan you their .22 rifle for this event.

MUCC Committee

Jim Pryce and I are planning to represent TCSL at the MUCC Convention at the Radisson Hotel in Lansing from June 24-26. The weekend program starts on Friday evening with a picnic dinner at MUCC Headquarters in Lansing. The convention business will be conducted during the day on Saturday and completed on Sunday morning. A copy of the resolutions and accompanying information is posted on the TCSL bulletin board for members to review. The same information can be found on the [MUCC website](#). If anyone has a question or would like to express their support or opposition to any resolution, please contact Jim or me.

MUCC is holding a [Protecting Sportfishing Sweepstakes](#) involving Jimmy Gretzinger from "Michigan Out of Doors TV" and Nick Green from the "Michigan Out of Doors Magazine." The prize is a fishing trip with Jimmy and Nick on Lake Michigan for the winner plus 2 others. Information about this event was sent to TCSL members from MUCC. If you did not receive it, check the [MUCC website](#), or contact Jim or me. Entry sales start on June 17 and end on July 15.

The April clean-up days at the MUCC Youth Camp were very successful. Camp registration is filling up fast, and only a few weeks have openings. TCSL has a program to help sponsor kids who want to go to camp. Also, the camp is looking to hire for some camp positions. If you are 18 or older and interested, contact MUCC Camp Director Ashley Carmichael (acarmichael@mucc.org or 517-346-6462).

Stuart Berry and I attended the DNR open house program at the Crystal Waters Game Area east of Milan on March 31. We had the opportunity to view the game area and hear the plans for access and for the operations at Crystal Waters. The area is now open for use, and the DNR will be asking for help with their planned projects. Among the first items on their list (1) to get some areas cleaned up, and (2) to get some parking areas established. DNR Biologist Zach Cooley is in charge of the project. If you would like to be involved with any of this, please let me know.

I attended the Conservation Coalition meeting in Lansing on May 20. A resolution was discussed and passed to be submitted to the MUCC Convention in June. The resolution asks that the original intent of Proposal G that was passed in 1996 be upheld. The Conservation Coalition members present supported this resolution unanimously.

There will be a Michigan Out-of-Doors Youth Camp Charity Shoot this year at Multi-Lakes Conservation Association on Friday, August 12. Information is on the [MUCC website](#) or contact Mikayla Carter (mcarter@mucc.org or 517-346-6463). Funds go to the MOOD Youth Camp.

Be sure to watch for more updates from MUCC in the "Conservation Insider" coming to your email. Please contact us for any questions or additional information

Donations Needed

We are looking to have a sale at TCSL later this spring, but we are still in need of any donations you might have for the club. Anything outdoors- or tool-related would be much appreciated, but other items could be used as well. Wonder if what you have is a good fit? Email Dave Vandermark at rifle@TCSL.org with any questions. Donations can be brought to the Club marked "attn: Dave V. for Sale" and dropped off inside the clubhouse, or arrangements could possibly be made for a pickup. Thank you!

Hunters' Ed

Twenty-five students received their hunter safety certificates last month at TCSL's Hunter Education Field Day and are on their way to new adventures in the hunting community.

A special thank you to the volunteers who made this happen:

Mike Cowhy
Jim Pryce
Rocky Buehler
Phill Hemenway
Nathan Yost
Jim Dunbar
Charles Unbehaun
Mark Smokowicz
Lance Monroe

This is just one of the reasons that make TCSL a great asset to our community. With members volunteering their precious weekends and other times to put on an event that educates new hunters to be safe and ethical. So thank you all, on the scene and off, for your time spent. It is you that make this a great planet.

Be Safe and Happy Hunting

Kids on the Range Day Saturday, July 30

As of this writing (May 24), there are only spots left for kids in the younger group (8-11). In fact, we have a waiting list for the older group (12-18). Registration and waiver forms are still available on the [Club's website](#), but please recommend early registration to family and friends interested in attending.

Something new this year: We have a bit of extra money available for financial assistance. If you know any kids who'd like to participate but feel it's too much of a financial stretch, please let me know.

Remaining Meeting:
Tuesday, July 26, 6pm

This should be short. I just want to make sure that all the loose ends are tied up before the event. And I think you do, too. :)

We continue to need volunteers for some spots. There are a variety of areas available, so I know we have a place for YOU! Many of you have worked this event before and know that it's a terrific way to introduce kids to the fun of sport shooting.

Just a reminder: All KORD volunteers need to submit a background check, which can be obtained via the Michigan State Police. It's easy to do and costs just \$10. (It would be greatly appreciated if each volunteer would pay for his/her own background check. It adds up to a lot of money if KORD pays for all of them.) Let me know if you need instructions—or if you'd like me to take care of the paperwork for you.
