President's Column

The first of our major events, Women on Target, occurs this month on June 10. Planning began early this year. This is a full day of activities for the participants, which begins early and concludes in the afternoon and spans all our ranges from archery to the pin shoot in Action Bay 5. There are still opportunities to volunteer and help out. Help is needed for set up on June 9, at registration, on the ranges, as guides, logistics, clubhouse, kitchen, and gophers. If you can volunteer, we can find a job for you. Contact Carol at wot@tcsi.org. Even if you can't commit the time for sure, stop by to see what a great event our Club organizes and conducts.

Let's jump quickly to Kids on the Range Day on July 15. KORD is an introduction to shooting sports for youth. All the duties listed above need to be filled for KORD. Did I mention that if you can volunteer, we can find a job for you? Contact Val at KORD@tcsi.org.

Our sponsors help make each of these events a success. Consider how you can support our sponsors with your consumer dollars. At a minimum, contact our sponsors and tell them you appreciate their support of the Club.

Regular Club events are found on the calendar. <https://tcsi.org/#calendar>. These include several classes, the pin shoots, IDPA practice nights and monthly match, a rifle match on the normal Saturday morning and a new day and time on Thursday the 22nd at 6:30pm, and two orientation classes. The Finance and Safety Committees meet via Zoom on June 12 beginning at 6:30pm. The Board and Membership meetings are on the 15th, which is the earliest they can occur in any month. Please join us for a burger and the meetings.

The Steak Fry is on Friday the 23rd. It is a great meal at great price. Join us and bring your family. We are still looking for members to learn the duties of the chairs for steak fry, kitchen, burger night and for the hall VP. We can train you for success.

Spring clean-up was on April 29. Much of the day's activity was cleaning up this winter's ice and snowstorm damage and debris. In the grassy areas, it was endless gathering and raking of branches of all sizes for transport to the burn pile. Near the Action Bays the chainsaw was busy clearing out the damaged trees. There was a steady operation of dragging wood, limbs, branches, and tress to the burn pit. The grassy areas are now prepared for mowing without damaging the equipment. The area near the Action Bays now looks pretty naked, and we are chatting about how we may find a use for that area and how to restore the sight break that all that overgrowth provided. Thanks to all for your hard work of getting the grounds ready for summer chores. And thanks to Pete S. for organizing the day.

We have had some interesting items on the administrative front recently. The Board voted to repair the walk-in cooler near the bar. Although that unit has been broken for several years, Covid reduced our refrigeration needs. The new cooler in the kitchen was sufficient; but the bookings are improving, and our needs are increasing. Once repaired, it will serve as a backup as well. If the kitchen cooler were to head south, we would be in a real pickle without a backup. We added an insurance line for employment practices. The insurance company required a few submittals. One was an employee handbook, which we did not have as a stand-alone document. We consolidated items from other policies and searched templates as to what we may want to include in a handbook. Thanks to all who reviewed the drafts. Although we've always been required to paying for beer and wine only by check or cash, the State imposed a new electronic payment requirement. Between the time we started and finished the registration process, one of our vendors changed the payment company they worked with. Upon completion of the process we received a DENIED message. We thought that maybe we couldn't order that beer anymore, but a phone call explained that it was their unexpected change of payment companies that resulted in the denied status. Crisis avoided!

During a conversation with a past president recently, he related a discussion with a "governmental type" who inquired as to how we as a Club performed all necessary duties with only one paid employee. The concern was that we were paying others under the table. It was when we were able to demonstrate the extent of our volunteer effort that the concern was laid to rest. So you see, our volunteerism does more than just keep the Club alive and functioning.

The NRA three fundamental rules for gun safety are (1) always keep the gun pointed in a safe direction, (2) keep your finger off the trigger until ready to shoot, and (3) keep the gun unloaded until ready to use. At our Club orientation we stress hitting the backstop. The fundamental rules, muzzle control, target placement, and cardboard backing placement help us all to adhere to that critical goal of safety on the range. Always be mindful of whether the range you are on is hot or cold, and comply with all Club rules adopted to promote safety.

Flag Day is June 14, and Father's Day is June 18. Here's to safety, liberty, and fathers!

Trivia

For our Sunday breakfasts, three volunteers cook breakfast for 35 people. Each volunteer puts in seven hours. Each meal brings in \$8. The food cost is \$238.

How many dollars per volunteer does Tri-County make in profit. That's your score.

This month's trivia question brought to you by Dave Vandermark.

Answer in next month's newsletter. (Sorry, there are no prizes.)

Membership

Nine people submitted applications this month. The new applicants include:

HELP WANTED

The MUCC Youth Camp is looking for kitchen help during the weeks of June 25 and July 23. These weeks are the overnight camp sessions. Help is needed with preparation and clean up for lunch and dinner. The camp will do all the shopping. The volunteers will ensure the campers get fed. Contact sslover@mucc.org for questions, clarifications and sign up. The MUCC is located in Chelsea.

Member is looking for a teen or pre-teen to help with some household chores. Taking garbage down to the street, walking the dog, mowing the lawn, cleaning the garage, etc. Things you would normally give your own teen to do; nothing heavy duty. Paid weekly. Location: near the Club.

If interested, contact Mark S, (734)276-2514

Military Rifle Match Held

Our first standard Military Rifle Match for 2023 was held on Saturday, May 20, at the 100-yard rifle range with four shooters.

Results of the match:

Place	Shooter	Rifle	Round	Score
<u>Iron Sight Division</u>				
1 st Place	Chris Leite	AR-15	223 Rem	321-3x
2 nd Place	Jerry Marken	M-1A	308 Win	266-1x
3 rd Place	Dave Vandermark	1903A3 Springfield	30-06	240
	Roland Tadd	1903A3 Springfield	30-06	114

Our next Military Rifle Match will be held on August 12 and is open to all TCSL members and guests. Registration starts at 9am, and the match begins at 10am. A short safety briefing will be held prior to the match. Fees for the match will be \$10 for members and \$15 for guests. You can compete with any military style rifle (no full autos), foreign or domestic, modern or vintage, with iron sights or scope. You will need 45 rounds of safe ammunition, a shooting mat or something to lie on, safety or shooting glasses and ear protection. Spotting scopes and sling are helpful.

The course of fire for the event shall be: (5) rounds of slow fire in the prone position for sight-in within five minutes. For score, (10) rounds slow fire in the prone position, (10) rounds of rapid fire in the prone position, (10) rounds rapid fire in the sitting position and (10) rounds of slow fire in the standing unsupported position. For the Slow fire portion, single-fed rounds are fired within 8 minutes, while rapid fire is within 80 seconds with a magazine or stripper clip change. There will be a short safety briefing prior to the match. **Please Note: You need not be a military member to compete, as they are surely welcome, you only need to own a military style rifle.** For further information or questions contact Dave Vandermark at rifle@TCSL.org.

MUCC Committee Report

As was stated in the May newsletter, the MUCC Youth Camp near Chelsea has a variety of programs available. They have several week-long day camp sessions and also two week-long overnight sessions. The camp has been able to hire the camp staff necessary for this year. Shannon Stover, the camp director, has asked for help with meals/kitchen from MUCC members in the area for the two weeks of overnight camp (the last week of June and of July). They need three people for each meal from Sunday night through Friday morning. If you can help for one meal or more, that would be a big help. There are people already signed up, but more are needed (especially in July). If you are interested, please contact me for more info – ASAP. You can also go to www.mucccamp.org, select the "Volunteer" tab, select the "Sign Up HERE" button, and complete the form.

The Red Flag gun law bills have been passed in Lansing and will be taking effect in the future. MUCC Executive Director Amy Trotter and members of the MUCC staff worked to influence the content of these bills.

Again this month, MUCC is monitoring the tribal fishing treaty negotiations and the wolf discussions.

I plan to attend the MUCC Finance Committee meeting and the Executive Board meeting on Friday, June 2, and the Conservation Policy Board meetings scheduled for Saturday, June 3, in Big Bay (near Marquette) and for Saturday, August 26, in Alpena. These meetings are open to all MUCC members. I also plan to attend the next Conservation Coalition meeting in July.

The MUCC Region 8 Directors, Len Shaner and Eric Braden, are planning meetings for the near future. I will keep the Club and members informed as plans develop.

If any TCSL member is interested in more information and/or being involved in any of the above events, please contact Jim or me.

Rifle Matches Coming in June

Please note that the Cavalry Match has been moved to June 17!

We are trying a new match series this summer and calling it the 22LR 100yd IBS Match. It is a 30-round match that is shot all at once, consisting of six (5) round targets, one for sight-in and 5 for score. Competitors will have 20 minutes to complete the match, then targets will be retrieved and scored. Any 22LR rifle is allowed, but know that the targets are about 4" in diameter, so your gun needs to be sighted-in well. Scopes of at least 6x power are recommended, as are shooting rests and spotting scopes. Rear bags will be allowed, but no one-piece sleds.

We will shoot this match series on Thursday evenings, once a month in June, July, August, and September, to try to make them available to those who can't come out on Saturday mornings. Cost will be \$10 for members, \$15 for guests. See the TCSL calendar for dates and start times.

TARGET ALIGNMENT A TOP PRIORITY!

At Tri-County target placement and sight alignment are very important to the overall safety of our ranges. Knowing your target and what is behind it is one of the fundamentals of safe shooting.

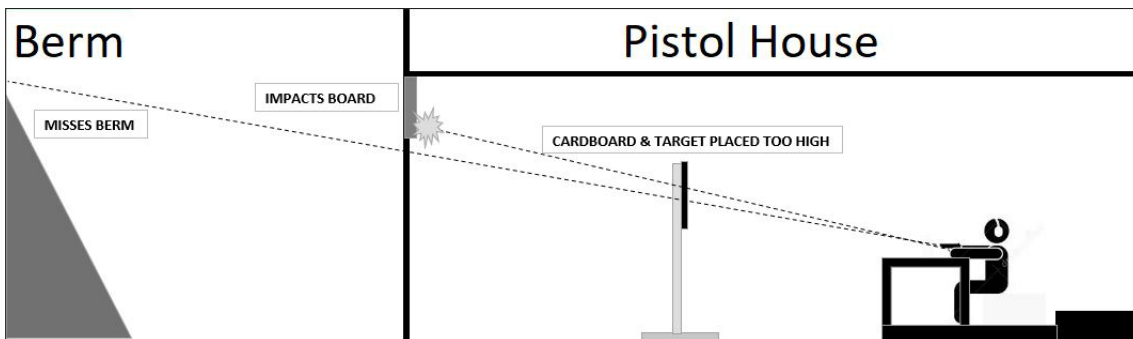

In the Pistol House we strive to place the cardboard target backers at the correct standing positions for average shooters, however people come in all sizes.

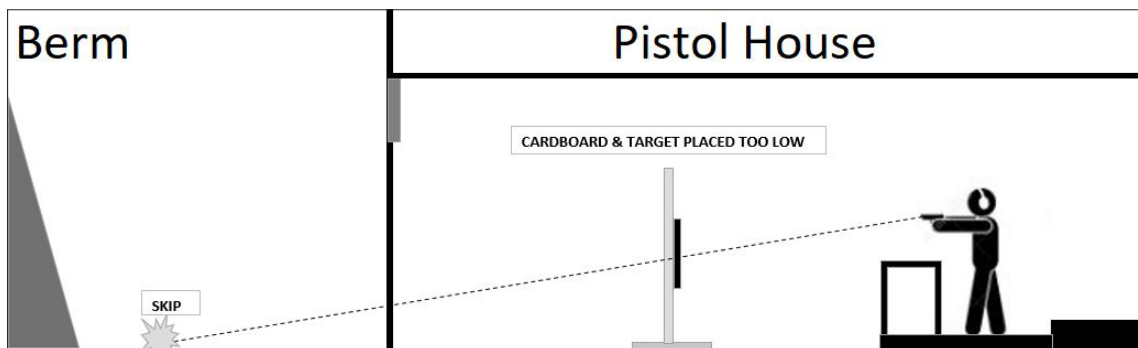

Many people enjoy shooting while seated or sighting in their pistols using a bench rest. This requires the cardboard and target to be placed at a lower position to properly impact the berm.

It is very important to remember to lower the cardboard and target to ensure proper target alignment, failing to do so can result in damage to the building or missing the berm entirely.

We ask that if you lower the cardboard for sitting you replace it to the original higher position when you have completed shooting. Shooters have been observed negligently shooting at low cardboard from a standing position. Remember you must always check your target alignment to prevent skips, this is especially important in the winter when the ground may be frozen.

Bowling Pin Shoots - Open to The Public

Bowling pin shooting is a fun, but challenging event. We welcome the skilled shooter, as well as, the novice shooter to participate. We guarantee you will enjoy yourself, while enhancing your shooting skills. Members and Non-members are encouraged to bring friends/family along with them.

Sundays: June 11, July 30, August 20, September 24

Sundays: June 11, July 30, August 20, September 24

Shooting starts at 12:00 noon.

The cost for each relay (20 pins = 5 pins x 4 tables) is \$5.00.

The shooter stands **20 yards** away from a structure, with 5 bowling pins on it. A safety officer, with a timer, will give the command to commence firing, at which time the shooter will begin shooting until all 6 pins are knocked down. The time it takes to knock 5 pins down is recorded. The average time of the shooters best 3 tables will determine his/her score. Bragging rights are determined by the lowest shooter's score.

If you don't own a PCC or .22 rifle and would like to participate, there are several members on site who are willing to loan you their .22 rifle for this event.

Trench Match Held

On May 6, TCSL hosted its fifth Trench Match. Its purpose was to simulate shooting positions you might find yourself in defending your trench in World War I. It took place on the 100-yard rifle range, and was a 50-shot match, with 3 rounds:

Round 1 – Standing Position. 20 shots from a standing position, supported at 100 yards. Required 4 loading cycles that could vary in number of shots each (5-5-5-5, or 8-2-5-5, or 2-10-5-3, etc.). Timer starts with the rifle unloaded. Time limit: 90 seconds.

Round 2 – Kneeling position. 10 shots kneeling, supported at 100 yards. Required 2 loading cycles. Timer starts with the rifle unloaded. Time limit: 60 seconds.

Round 3 – Prone Position. This round was time limited to 100 seconds, and allowed the shooter up to 20 shots to break 10 clay birds that were hung at 100 yards. Firing was in the prone position, supported using a rest provided. Required 4 loading cycles that could vary in number of shots each (5-5-5-5, or 8-2-5-5, or 2-10-5-3, etc.). Timer starts with the rifle unloaded. Points awarded based on the number of clays broken (5 per bird), with a 10 point bonus if all 10 are broken.

So, why is this called a trench match? The rests provided in rounds 1 and 2 are small ports in a mock trench wall, and the prone rest simulates an earthen berm. They are meant to be uncomfortable positions. And to add to the difficulty, the rifle must have a bayonet attached during all firing.

Match Results:

Hunter Education

The next Hunter's Education class will be held on Saturday, August 12, and registration opens July 15. Our last class for 2023 will be held on Saturday, September 16, and registration opens on August 15. You can find the classes in the Storefront link: <https://michigan.storefront.kalkomey.com/em/programs>. Sign up and create an account. Find Hunter Education - Field Day, and look for our location, TCSL. For more information, contact huntereducation@tcsl.org.

One of the frequently missed questions on the field day test is:

You can obtain a summary of the hunter's regulations for Michigan at

- Michigan DNR operations service centers/district office
- Michigan DNR website.
- Stores which sell hunting licenses.
- All of the above.

First, let's ask, "Why do we need to know this?" This question is asked because we need to know the regulations to lawfully hunt, as in seasons, bag limits, species, and other regulations. Ignorance of the law is no excuse to break the law. I think this question is missed a lot is because, while (d) is the correct answer, all are good answers.

Now there's one more place to find those regulations. Go to your app store, and get Michigan DNR Hunt Fish on your phone.

Knowing the rules and regulations is your responsibility and following them is the ethical thing to do.

Turkey hunting ends June 7, but don't take my word for it. You know where to find out! I hope you had a good season and bagged that Big Old Tom.

Kids on the Range Day Saturday, July 15

There's still plenty of space for both participants and volunteers, so please spread the word!

Registration materials for Kids on the Range Day are available via the Club website at tcsl.org/events/ and at the Club. Completed forms (along with appropriate fees) can be mailed to or dropped off at the Club. KORD is open to all kids, ages 8-18, with any level of shooting experience. (Most will have—at best—occasional shooting experience.

Again, a big thank you to both Cottage Inn and Cabela's for their financial support. And a HUGE thank you to the NRA Foundation, whose \$1100 grant will make it possible to purchase youth-size rifles.

As you know, this event is only made possible by YOU, our committed TCSL volunteers. We can always use more of you, and it's a fun event, so come out and join us.

Don't forget that ALL KORD volunteers need to submit a background check, which can be done through the [Michigan State Police's ICHAT](#) program. Let me know if you have questions about this, or if you'd like me to do yours for you.

As always, let me know if you have questions or comments. If you're new to KORD and would like a list of volunteer job opportunities, please let me know. Whether you want/are able to take an active roll or want a "desk job," there's a place for you!!!

COUNTING DOWN!

ONLY 9 SHORT DAYS until **Women On Target!** This comes after more than five months of planning and action by so many of you. **What a remarkable group of people makes up TCSL!** So, we have nine short days to wrap this up . . .

By the end of this week, there will be an **email sent to all volunteers** breaking down the jobs and the time you need to arrive. **If you have not received an email by Monday, June 5, please give Carol a call** and we will get you the information, pronto.

The WOT planning group will be at the Club on **Wednesday, Thursday, and Friday, June 7, 8, and 9, from 1 to 5pm** each day, to set up and complete last-minute tasks of which there are plenty. If you would like to stop by and give us a hand, **we would welcome your help** and would love to have you join us! As is the case when we get together, a good time will be had by all!

If you are donating **any Raffle Baskets or other items**, the **deadline to drop them off is Monday, June 5**. If you are able to get them to the Club **sooner**, that **would be great!**

Volunteers will have received their red TCSL STAFF T-shirts at the Volunteer Dinner on Wednesday, May 31. If a shirt was ordered for you and you cannot attend the dinner, Sally Clark will have it at the club during our work hours on **June 7, 8, and 9**, and you can pick it up then. **Otherwise, plan to pick it up when you check in on June 10.** (If a shirt was not ordered for you, plan to wear a red shirt of your own. If we have extras, we will give you one of those.) We do have the orange/red vests you can wear, but a red shirt will probably be more comfortable.

The NRA did not send the usual number of red WOT hats this year so we will be short. If you have a hat from prior years, would you please dig through your closet, smack the dust off and bring it along. (It's probably under all that ammo you have been squirreling away.) Of course, any red hat will be fine.

And **where would we be without the generous support of our sponsors and gift donors?!** Please check out the special section below listing all those who helped make possible what we know will be a great event. Won't you **please support these folks and their businesses not only now but throughout the year.**

We look forward to seeing you on June 10!
