President's Column

In September we conduct our final big event for the year. The IDPA Tier 3 Challenge Match is scheduled for the weekend after Labor Day, Thursday-Sunday, September 7-10, all inclusive. The IDPA crew works on this event for most of the year, and the event attracts participants from far and wide. The latest registration numbers indicate that it will be a great year for the event. Volunteers are needed. Unlike WOT and KORD, no coaches are required. The volunteers are needed for set-up, tear-down, daily logistics related to directing registrants, food and liquid refreshments, and daily clean up. Helpers can sign up for limited shifts. All help is appreciated. Contact info is ldpa@tcsi.org and Steve Nesmith at Snesmith1@gmail.com. Or call the Club at 734-429-9561 to chat with a human in real time.

An event of this size and scope requires that ranges will be fully or partially closed as part of the set-up process through tear-down. Please be mindful of the range closures before you come to the Club. Set-up will begin as early as Saturday, September 2, and continue through Monday, September 11. As we near Thursday, September 7, more and more of the ranges will be unavailable for general use. Check the calendar at tcsi.org and emails and plan accordingly. Consider using the time that the ranges are closed to volunteer as needed.

Beyond IDPA, September is another busy month for us. There are several clubhouse rentals that require help. Of special note is the evening of Saturday, September 23. This celebration is expected to need many hands from us. Education has several events. Hunter Education has a field day training. The IDPA match bumps the pin shoots out of their normal days to the 17th and 24th. Rifle has a 185-yard match. Wednesday Range Time continues each week at 10am. Orientations will be conducted on Wednesday the 13th and Saturday the 16th. (The mid-week class has been scheduled to accommodate a new member for whom weekends are impossible. This can happen again if needed.) The Board and Membership meetings are on the third Thursday, September 21; and Burger Night returns. Join us in the clubhouse for a good burger meal and see what the Club is up to. You get volunteer hours for attending. There are so many working hard behind the scenes. Come to the meetings, observe, and get involved as you are able.

The September Steak Fry is on the fifth Friday, September 29. Being grill master is never an easy job. In July the daily temperature was quite hot. The ambient heat cooked our grill masters into the rare or medium rare range even before they lit the coals. After an evening of grilling they were all far beyond well done, almost charred. Special recognition goes out to Chris Lette, Bill Arcy, and Bob Webb for enduring the heat month in and month out—but especially in July.

October 28 is the Friends of the NRA dinner. This is a benefit for the Club and the NRA. Tickets are available for individuals and for entire a tables. This is always a fun event. It has been missing for several years, because of you-know-what; but it's back! Support as you are able.

In August we noted the passing Bob Parent. Bob was a long-time rock within the Club. Among Bob's contributions: He served as treasurer for many years; he led the Trap Program and was instrumental in forming the Saline High School Trap Team; he was

engaged in education; he helped in the kitchen; and much, much more. Bob always had a friendly voice and a receptive ear. Bob, you will be missed. May you rest in peace. Condolences go out to Carol and entire Parent family.

Early in August Oakwood Church rented the clubhouse for a summer picnic. It was quite an affair. In conversation with a church member, we learned about the carved fireplace mantles on both floors. His grandfather, Andrew Luckhardt, carved both of the mantles. When exactly the carvings occurred he did not know. Next time you are in the clubhouse take a look these mantles. One is signed "Andrew Luckhardt," and the other has a carved "Andy." A photo of the upper level mantel appears on our website at <https://tcsi.org/board-committees/>. We all leave a contribution to the Club. Some endure as lasting artwork for all to see.

As we reach the midpoint of the Club calendar year, a few reminders are in order. Volunteer hours for the year are completed in November. If you are looking for hours, see above in this letter, check the calendar, remember that the Fall Clean Up Day is coming, contact us if you have time. There is always something needing to be done. Elections for officers and directors come up in the winter. Officers serve a one-year term and are up for election each year. Directors serve a three-year term. One of the three director's seats in each region is up for election each year. Consider how you may serve the Club. Thank you to all the directors and officers for your contributions and to the many chairs. We could not do what we do without all your efforts.

Thanks to Jim Walter for presiding over the Board meeting in August while I was in the hot, arid southwest. The mountains in Phoenix look very similar to our reconditioned berms, as ours have yet to be in full-green growth.

In September sunset dips to earlier than 8pm. Remember that the range hours will end at sunset and not 8pm. Range hours still begin at noon on Sunday and 10am Monday through Saturday. We aim to be good neighbors.

The big school at Main and Stadium begins playing football again in September. They often (maybe always?) have a flyover as the National Anthem concludes. The flyovers are very brief. If you want a view of them getting in formation a great observation spot is near us at the intersection of Michigan Avenue and Moon Road (Walmart). Last year I was heading to the Club and was amazed at the spectacular sight of the aircraft 'warming up' for their performance. If you are in the area, take a minute to look up and enjoy the air show, and drop by the Club for fellowship and football. We are updating our TVs to provide a better viewing opportunity. We are looking to promote the fun factor.

May you have a serene, peaceful, and productive September,

Stuart Berry

IDPA

Tri-County sponsors, did you know?

IDPA Practice: Tuesdays from 5-8pm, April through August.
Cost: \$5.00 or \$3.00, if you have a range pass.
Open to the public.

IDPA Monthly Match: The 4th Saturday of the month, April through October. 9:30 till end, usually 1pm.
Cost: \$25.00.
Open to the public.

We also hold one **Major** IDPA Match, "The Sportsman's Challenge," in September for which we solicit sponsors. It's a Tier III event, designed to test specific shooting and gun-handling skills. It requires extensive planning and preparation for all the volunteer staff and skill development for the shooters. It's a three-day event, and shooters come from all over to compete in the match. This year (2023) the dates are Friday-Sunday, September 8-10. This will be the 6th year we've hosted the match at Tri-county.

Unfortunately, sign-up for both matches already ended on Friday August 25. But if you're interested in seeing what all the excitement is about, come out and watch a match; spectators are welcome. Plus, it just might trip your trigger to come out and join the fun! We look forward to seeing you on the range.

PS: All IDPA events are run and supervised by trained and certified Safety Officers. All IDPA events are "COLD Range" events. No loaded guns! Only the shooter on the line, under the supervision of the SO, is allowed.

Best regards,

PCC/.22 Rifle Bowling Pin Shoot

July 30, 2023 -

The weather was fantastic. We started off slow for the 1st hour. Then things started to pick up. We had several new shooters. A couple of the new shooters, Chiren and Mike W, were not new to shooting. We had several very impressive times. Any time under 3.00 seconds is fantastic. Chiren had a 1.70 second time to shoot down 5 pins. Chiren was shooting a Ruger 10-22 that was nothing more than a skeleton of a rifle. It was very light weight, but he knew how to use it. Ryan Barbarino beat his older brother by 0.02 seconds. Good job Ryan. This event has posted some of the fastest times I have seen in a while. It is nice to see new faces. I hope everyone had as much fun as I had at the shoot. Below are each shooter's best time for the day.

Scouts BSA, Troop 439

"Best summer camp so far!" The resounding sentiment from all 13 scouts, and 5 adults, that attended Camp Rotary July 8-15. The week included a dance party, merit badge activities, climbing walls (including a night crawl), star gazing, mile swims, pioneered campsite gateways, campfire songs and skits, service projects, and adult training and challenges. The scouts earned 51 merit badges including Climbing, Shotgun Shooting, Rifle Shooting, Swimming, and Lifesaving, just to name a few. We had 1 scout and 1 adult complete a mile long swim, 4 adults earn the Extreme Adult Award, and two adults won the Iron Chef Cookoff. The greatest source of pride was earning the Troop Gold Award of Excellence by going

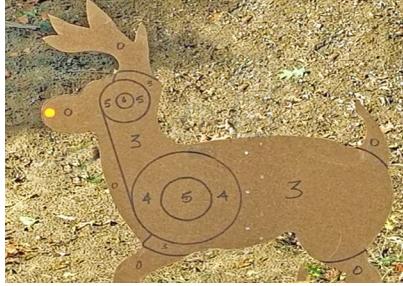

above and beyond in their responsibilities and service to the camp during the week. There was bonding, cheering, dancing, singing, laughing...and yes...even some crying. But this is definitely one for the memory books and we look forward to our next visit to this fantastic camp in the Summer of 2024.

Handgun/Running Deer Shoot
Sundays, October 8, 15, 29 & November 5
Cost for each relay: \$5.00

The "HANDGUN SHOOT" (Running Deer Shoot) is structured much the same as a good, old Turkey Shoot. Ten individuals buy into a relay, and all ten take turns shooting at the running deer. After each individual shoots, their score is totaled and radioed up to the officials' table. The highest score of the relay wins a prize. The shooter is positioned 25 yards away from a hanging deer silhouette, which is positioned at the right side of the gallery. Round count and order may change from relay to relay. Our usual starting sequence is 2 shots at the deer standing still and 2 shots while the deer is running. Once the final standing shoot is fired, the deer will begin to run across the gallery from right to left. Firearms allowed: Handguns, .22 Rifles and PCCs (Pistol Caliber Carbines). Pistols will compete against pistols; .22 Rifles and PPCs will compete among themselves. All type of sights or optics are allowed. This event is open to the public, and shooting starts at 12 noon. It's FUN! Bring a family member or a friend.
